Professor Samuel C.C. Ting  
Massachusetts Institute of Technology  
51 Vassar Street  
Cambridge, MA 02139-4307

Dear Prof. Ting:

The AMS Crew Operations Post (ACOP) Phase 0/I Flight Safety Review was successfully completed on May 2, 2005. The review lasted only four hours, all of the hazard reports were signed, and no action items were assigned to the ACOP team. I would like to recognize the efforts of the ACOP team in this outstanding effort. The following people played an important role in this success.

Mike Capell, Massachusetts Institute of Technology  
Peter Dennett, Padsoft  
Leland Hill, Jacobs Sverdrup  
Domenica Laplena, Carlo Gavazzi Space  
Shih-Chang Lee, Academia Sinica  
Trent Martin, National Aeronautics and Space Administration  
Paul Nemeth, Jacobs Sverdrup  
Silvia Pagnoni, Carlo Gavazzi Space  
Salvatori Pignataro, Italian Space Agency  
Chiara Pini, Carlo Gavazzi Space  
Tim Urban, Jacobs Sverdrup  
Huey-An Yen, Chungshan Institute of Science and Technology

We appreciate the strong cooperation of both the Taiwan and Italian team members.

Cordially,
